TERMS OF SALE
(Please Read Carefully)

1. BIDS BY MAIL, PHONE OR TELEX will be accepted until the closing date. LATE PHONE BIDS placed through our Michigan Office will be accepted to within two hours prior to the session. All lots are sold to the highest bidder. Bids are treated as LIMITS. Bids are reduced where competition permits to within 5% of the second highest bid. In the case of tie bids, the first received is given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. No bids are accepted below \$25.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. All claims for adjustment must be made within five days of receipt. Cataloging errors will be cheerfully and promptly corrected. FLOOR BUYERS MAY NOT RETURN ANY LOTS. No returns are permitted after settlement is made with our consignors. As such, the return privilege for any reason is null and void 45 days after the sale date.
3. First rate credit references, or a 25% deposit, are necessary to assure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale. We reserve the right to obtain payment in full before delivery of lots to anyone. For successful bidders unwilling to abide by these terms, the lot(s) may be sold privately or relisted in our next sale. In cases where the lot(s) are subsequently sold at a lower price, we will bill the deficiency to the defaulter.
4. All bids are to be made, and invoices paid, in U.S. FUNDS ONLY. Bids will only be executed in even dollar amounts.
5. TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID FOR PROMPTLY IN U.S. FUNDS. PAYMENT IS DUE WHEN BILLS ARE RENDERED. Delayed payment may be arranged with advance notice only. Any delay in payment beyond 30 days will be charged .05% interest per day from the date of sale. Payments from foreign accounts must be made in U.S. Dollars by International Check to the account of Joseph Lepczyk through any New York Correspondent bank.
6. POSTAGE, INSURANCE and/or handling fees are added to all shipments. Unless otherwise indicated by the bidder, we will use our discretion as to whether to ship by air or surface mail.
7. All lots to be mailed to addresses not in the United States of America, or its Territories, are made only at the risk of the purchaser. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered air mail.
8. Sales Tax is added to lots delivered in Michigan unless a valid resale number is presented.
9. Bids are NOT accepted from Minors without written and signed parental permission.
10. TITLE to all lots remains with the cataloger until payment in full is received. Furthermore, the cataloger reserves the right to accept or reject any or all bids at his discretion. Your submitting of bids in this sale constitutes your acceptance of all the foregoing terms. (Please read terms 2, 3, 5, and 7 carefully).
Lots are available for advance inspection by appointment at our bank or office and at the auction site on the day(s) of the sale. If you wish additional information on any lot, please call or write. Estimates are published for your convenience. Prices may go higher or lower.

VERSTEIGERUNGSBEDINGUNGEN

Ihre Gebote, die nach Losnummern erfolgen sollen, werden als Limit behandelt. Schriftliche Aufträge werden reduziert, wo die Gebote es erlauben, und die Lots werden zu einem Preis verkauft, der nicht höher als 5% über dem zweithöchsten Gebot liegt. Schätzpreise sind als Hilfe angegeben; die Lots können jedoch zu einem höheren oder niedrigeren Preis verkauft werden.

Wir garantieren die Echtheit der Stücke, die sorgfältig beschrieben sind. Katalogfehler werden sofort korrigiert. Aufträge von uns unbekannten Sammlern können nur ausgeführt werden, wenn zufriedenstellende Referenzen gegeben oder 25% Deposit hinterlegt werden. Uns bekannten Kunden schicken wir die Lots auf Rechnung zu.

Alle Gebote sowie die Bezahlung soll in US-Dollar erfolgen. Die Bezahlung ist nach Erhalt der Rechnung fällig und sollte in Form eines internationalen Schecks sein, der auf eine US-Bank ausgestellt ist.

Der Versand erfolgt durch eingeschriebene Luftpost und geht zu Lasten und Risiko des Kunden. Wir verlangen vom Käufer kein Aufgeld, keine Provision oder Steuer. Fällige Gebühren und Steuern in Übersee gehen zu Lasten des Kunden. Das Auktionsgut bleibt bis zur vollständigen Bezahlung unser Eigentum.

CONDITIONS DE VENTE

Les enchères, obligatoirement repérées par les numéros du catalogue, sont considérées comme des valeurs limites. Les enchères envoyées par courrier seront diminuées autant que la concurrence le permettra et les lots seront vendus 5% plus cher que la seconde meilleur offre. Les marchandises proposées sont garanties d'origine et conformes à leur description. Toute erreur sur le catalogue sera gracieusement corrigée. Les nouveaux enchérisseurs devront faire preuve d'un crédit satisfaisant, ou effectuer un dépôt de 25%. Les lots seront envoyés sur facture à nos anciens clients. Les enchères seront proposées et les paiements effectués en Dollars Américains. Le paiement est dû dès réception de la facture. Le règlement doit être effectué sous la forme d'un cheque international tiré sur une banque Américaine. L'expédition des marchandises est assurée par courrier aérien recommandé, aux frais et risques de l'acheteur.

Aucune commission ni taxe ne sera ajoutée au montant des achats. Les frais et taxes exigés à l'étranger seront à charge de l'acheteur.

Les lots ne sont définitivement acquis qu'une fois le paiement complet effectué.

Strategies for Mail Bidders

Our reputation and consistently high results at auction is mainly due to mail bidders who have become repeat clients. We are always pleased to work closely with bidders in following their special instructions. Where possible, lots are purchased for mail bidders below their maximum bids. This occurs on about 20% of the lots purchased by mail bidders. The competition is intense for desirable lots with many bids clustering near the same level. Estimates appearing in our catalogs are guides only. Popular and high grade material will frequently sell above estimates. Analyzing the results of our past sales, we have found that approximately 10% of the lots sell at top wholesale, 80% sell around full retail and the final 10% exceeds all our expectations.

1. As many lots receive tie bids, one strategy is to bid early as preference is given to the earliest bid received. Preference on tie bids is also given to bidders who pay their accounts promptly.
2. Please sign your bid sheet and include your phone number. An unsigned bid sheet, at our discretion, many not have bids executed.
3. Bidding at a low level on many lots is a poor strategy due to the lack of success and also due to the time involved in preparing and processing such a bid sheet.
4. List your bids in numerical order instead of skipping around. This helps prevent bidder errors and is easier to enter into the bid book. Please recheck your bid sheet.
5. Do not be afraid to bid over estimate if you feel a lot is worth it. Most tie bids occur on lower priced items.
6. Bid the absolute maximum any lot of interest is worth to you. Once a sale has been called, we can not increase your bid. We will always try to purchase the lot for you as inexpensively as possible.
7. If you want a percentage increase on any lot or lots, indicate this on your bid sheet. We prefer that you do this as a conscious effort rather than just checking a percentage increase box. Using the latter approach, several large houses have increased their default rate.
8. Always read the Terms of Sale. Not only are these different between auction houses but may change from sale to sale.
9. If you have a specific total limit on the amount of your purchases, we can generally follow your instructions even if you bid up to 4 times your total limit. We may be able to enter your bids in the bid book or have one of our assistants represent you from the floor. This way you can submit more bids, increasing your chances of success without over extending your budget. This gives mail bidders one of the traditional advantages of floor bidders.
10. If you are interested in one lot of a type where several are offered, you can indicate special instructions to this effect. Just bracket those bids and mark "one only."
11. Request photos or permission to view lots by mail. While there is a fee involved, this may answer specific questions you have about varieties or condition.
12. Subscribe not only to receive prices realized which can be used as a guide to future bidding or purchases but also to insure receiving the catalog by first class mail.
13. If you have any questions about lot descriptions, Terms of Sale, bidding procedures or estimates, please feel free to call our office.

HOT AIR PAGE

This catalog presents an interesting one day sale with intriguing selections of Ancient, World Coins, Tokens, Medals and Paper Money. Of particular note in this auction, is the extensive range of Italian State Coins and outstanding World Paper Money. United States Coins and Numismatic Literature have not been included in this sale intentionally. They have been set aside for inclusion in the Michigan State Numismatic Society auction this April 24th and 25th.

We do have some information to share with you pertaining to this sale and our business in general. Last sale we started using pressure sensitive address labels on our mailing envelopes. These can be placed on your bid sheet on the address form. This assists us in processing your bid sheet and should be expedient for you too. Please correct any error which may exist on the address label.

We make every effort to mail invoices out to successful bidders as promptly as possible. Currently, you can expect to receive yours a week from the date of the sale. The postcard notices to unsuccessful bidders are normally sent out three days after a sale closes. Likewise, we expect to be paid promptly since we have an obligation, which we take seriously, to pay our consignors within a realistic fixed time. By our next sale, we expect to be fully computerized which will speed up processing invoices, rebilling notices and settlements to consignors. Within a few months, we expect to be posting want lists and sorting our mailing list by areas of customer interest for infrequent bidders.

This sale is being held at a different location than our previous local sales. It will be held in the Varsity Room at the University Inn, 1100 Trowbridge Road in East Lansing. Lots will be available there for inspection on the day of the sale and at our offices by appointment prior to the sale date. We do hope many of you will be able to attend in person. Air service is available via United and Republic Airlines direct to Lansing. Furthermore, we are only an hour and a half drive from the Detroit Metro Airport.

We had a very successful December auction in New York and are planning a similar one this year. Our next auction is April 24th and 25th with the MSNS Spring Convention at the Hyatt Regency in Dearborn, Michigan. Consignments need to be in our hands by the end of February for this sale. This is followed by the C.O.I.N. Auction in Los Angeles in June with a consignment deadline of April 27th. Very desirable consignments are already on hand for these sales. We would be pleased to discuss and accept additional worthwhile consignment items or collections for these sales.

We are now on the FACTS teletype system. This enables us to serve our local customers at our coin shop, Capital Coins, as well as provide direct communication for our auction business from bidders and consignors on the FACTS system.

Our show schedule through this Summer is quite active. I would be pleased to have you stop by my table and chat or drop off consignments at the CICF, MSNS, Torex, C.O.I.N., CNA and ANA Conventions.
